What is the Family energy rebate?

The Family Energy Rebate helps to cover the cost of energy bills for NSW households with dependent children. In 2014-2015 the rebate gives:

- Up to $150 credit on electricity bills for eligible applicants who hold an account with an electricity retailer
- Up to $165 direct payment to nominated bank accounts for eligible applicants who live in a residential community (caravan or mobile home park) and receive electricity from the park operator.

Am I eligible for the rebate?

To be eligible you MUST:

- Be a NSW resident; and
- Have been assessed by the Federal Department of Human Services (DHS) as being eligible for the Family Tax Benefit (FTB) A or B at any time during the 2013-2014 financial year, and have received an FTB payment in respect of that eligibility; and
- Be an account holder of an electricity retailer, or a long-term resident of a residential community (caravan or mobile home park), whose name appears on the electricity account for supply to her or his principal place of residence.

What do I need to do before I apply?

Before you apply, here’s a quick checklist. Have you:

- Lodged your tax return for 2013-2014 with the Australian Taxation Office or informed the Department of Human Services (DHS) if you are not required to lodge a tax return?
- Received confirmation from DHS as to your eligibility for Family Tax Benefit A or B for 2013-2014?
